How does this site work?

## What is planetJAM and how does it work?

planetJAM is your interactive journey to the best in emerging music. Here you won't find just anybody's music. Here you find **only the best in emerging talent**. This is music you are likely to hear on the radio in months to come. On planetJAM, we screen all our music to guarantee that it is of the highest quality. All our bands are real working bands that are working hard to break into the mainstream. The best part about planetJAM is that you get to help these artists become stars by supporting their music.

Because we respect your time and effort, we reward you for activity on the site. Once you sign up as a free member, you will see point indicators next to various things you can do on the site. Every time you stream or download a song, post a review, or drop an e-mail to friend, you earn points in your planetJAM account. You then use these points to bid on cool prizes in our auction area. It's really easy and totally fun.

Most of planetJAM is free. The free areas include all the streaming music, community boards, editorial, tour date info, most auctions, and e-mail features. Because we believe that musical artists are entitled to make money for their work, we offer the opportunity to upgrade your membership to "All Access" status. A nominal cover charge awards you unlimited access to fully legal mp3's (\$20 for six months of all access), makes you eligible to bid and win in exclusive "all access member only" premium auctions, and allows you to collect points more rapidly. To help support the artists, 51% of the total cover charge collection is given back to the artists in the form of royalty payments.

**Planetary Powerplay**

**How Does it Work.....?**  
Each month planetJAM will track the vital statistics for each of our artists and combine them into a single power ranking. The key factors that will be tracked are:

- Number of Streams
- Number of Downloads
- Valid Tourdates entered
- Number of Members Referred
- Number of All-Access Members Referred

Obviously, as these statistics change throughout a month, your power rating will change also. At the end of each month we will freeze the leaderboard and reward the planetJAM TOP TEN. The payouts each month will be as follows:

should you employ to maximize your power rating and the opportunity to earn even more income? Here are a few tips.

1. **Notify your fans!** - If you have a mailing list and/or an email list, activating your fan base will obviously drive your power rating up as they stream and download your music. They can also give you direct credit for their registration which counts also.
2. **Register your tour dates** - Registering your tour dates in the planETJAM event calendar raises your power ranking. You may email [contactus@planetjam.com](mailto:contactus@planetjam.com) if you don't already have your username and password.
3. **Strategically release new tracks** - Give your fanbase something new to come back for! Whether prereleasing a track for a new release or simply licensing more material off your current product, giving fans a reason to come back will increase your streams and downloads. Contact the A&R office if you have new material to release.
4. **Partner with planETJAM.com at your live shows** - Masses of music fans come to see live music, so why not tell them where they can find the digital downloads that earn you income, not to mention your ability to get customer finder's fees when they register?
5. **Keep your presence on planETJAM.com "fresh"** - Whether it be "diaries from the road" or live show pictures, let us help keep new faces interested in your music and sustain your power rating.
